REGULATIONS AND GUIDELINES

1. All students at school with parental permission to publish personal image data on the school web can enter the competition.

2. Students may work together in groups or submit entries as individuals.

3. All entries must be a digital video in English, where you will include the title of the video. You may also add English subtitles, although these are not necessary.

4. The length of the video should not exceed three minutes.
If the students want to, the winning video will be adapted and published in tik tok.

5. The Video Contest closes on Monday 18th March.

6. To submit your entry, send it to: englishtalentvideocontest@iescampodecalatrava.com, with a message stating this is your video, for example: *'Here is my entry to the English Talent Video Contest'*. Do not forget to include the contestants' name, year, group and the title of the video.

7. The topic or category of entries is absolutely free (science, music, history, geography; songs, biographies, stories, experiments jokes, interviews, monologues, poems, performances...).

8. The jury will be made up of a number of teachers and students.

9. This jury will put their votes, selecting 1 favourite video looking for creativity, originality and ability to engage and captivate.

10. The winning participant or team will receive a surprise prize.
